

Inbound - Albuquerque New Mexico 2010

Hosts greeted and collected 20 happy, excited souls from Maroochy Airport on Monday 18th October, 2010. Each was enthusiastic and optimistic about the week of planned activities and the prospect of being able to enjoy typical sunny Sunshine Coast weather, in the convivial company of new friends.

Their program will introduce them to dining at the beach, feeding pelicans and seagulls from the deck of a Tewantin Restaurant, visiting the famed Eumundi Markets and Noosa Heads National Park, extinct volcano's and centuries old rain forest, tourist friendly hinterland towns and a Catering College, whilst enjoying

the company of their Hosts, Co-Hosts, Dinner Hosts and Club Members.

The week's planned activities began with a welcome barbeque breakfast at La Balsa Park, Kawana Waters. This enabled all assembled to mix and get to know one another in relaxed surroundings against a backdrop of the bustling Mooloolah River and Harbour.

Part of the week's activities involved the planting of a fig at Friendship Park, Allora Gardens, Maroochydoore, to commemorate the visit.

Ambassadors were to donate US\$200 to a local charity at each of the 3 Australian Clubs they were to visit on this trip.

Our week's activities concluded with a Farewell Dinner at Milwell Hall, Maroochydoore where Ambassadors were exposed to a rendition of Australian slang, trivia and a Line Dancing demonstration. Ambassadors and host club members displayed their various talents as singers, musicians and actors.
